No Score During First Half Merrie Injured Toward End of Game

Somerville defeated the freshmen last Saturday by the score of 6 to 0. The two teams were very evenly matched, a slight advantage, perhaps, being on the Somerville side. E. Garland distinguished himself for the high school team by several long runs, while the punting of Beebe for the freshmen was a feature of the game.

In the first half Tech kicked off to Somerville. E. Garland caught the pig-skin and ran it back 50 yards. The prep. school team tore through the 1913 line and made a touchdown, the only score of the game, on the fourth play. Although Tech's goal was threatened several times, the half ended without further result.

The second half started off with a snap. Somerville kicked the ball to 1913. Capen caught the kick and ran it back for a small gain. The freshmen were forced to kick on the 40 yard line, but Beebe's punt was blocked, and after a series of fumbles, Gustin recovered the ball for Tech on the 35 yard line.

The ball then went to Somerville on downs. The prep. school team again began its attack on the 1913 line. E. Garland, of Somerville, made a sensational run of 60 yards, but the advance was checked here and Somerville kicked to Tech's 5 yard line. Tech rushed the ball to the middle of the field, when time was called.

Merrill broke a bone in his wrist and was replaced by Weeks, just before the close of the game.

1913 RELAY TRIALS

Eighteen Men To Be Picked Final Trials To Come Soon

This afternoon the Field in Brookline will be the scene of the freshmen relay trials. These will be the preliminary trials, and eighteen men will be picked.

Several good men are showing up for this team and the trials ought to be pretty exciting.

Those who look pretty good are: R. T. Partal, B. Atwater, T. Mattson, W. Conant, H. D. Peck. Several good men have reported off and on, and these men must run Monday to make the team.

HARE AND HOUNDS RUN AT WELLESLEY

Fine Showing Made By Men Watkins Finishes First

Last Saturday afternoon the weekly hare and hounds' run was held at Wellesley.

Whether it was the fine weather or the place at which the run was held that caused the large squad to turn out is still a question. The day was perfect and the trail laid by the hares, N. Randsah of 1910 and G. H. Magee 1910, was never better.

The men ran in two squads, as they did the week before. This aids greatly in training the cross-country team, and also gives new men a chance to keep up with the bunch.

An amusing incident of the day was the fine work of a young native lad who started with the hares and finished only a few rods behind them.

On next Saturday there will be no hare and hounds, as everyone will go out to the handicap meet at the Field.

The bags were found by F. Russell 1911 and E. W. DeWitt 1911. The order of finishing for the first ten men was as follows: H. G. Watkins 1912, R. D. Van Alstine 1911, K. Cartwright 1912, E. E. Ferry 1912, W. Byland 1913, L. O. Mills 1911, W. MacCreadie 1911, E. W. DeWitt 1911, J. I. Taylor 1912, R. M. Ferry 1912.

Others who ran were: 1910, J. H. Ruckman, G. H. Magee, B. C. Huber, J. W. Northrop, E. Jacobs; 1911, F. Russell, C. T. Morey, C. P. Eldred 1911, O. C. Lombard, E. B. Wettenell.

CROSS-COUNTRY DINNER

Hunter and Coach Kanly Speak Former Captains Give Cups

On Saturday night the first cross-country dinner was held in the small dining room in the Union.

Capt. Elmer E. Jacobs acted as toastmaster. The speakers were F. H. Hunter 1902, Coach Kanaly and C. P. Eldred. Mr. Hunter announced that in order to awaken great enthusiasm in cross-country at the Institute, he, his brother, E. H. Lorenz 1905, and R. Ellis 1909, captain of the team last year, had joined together in giving three silver loving cups for prizes. These cups are to be awarded as first, second and time prizes in the annual fall handicap meet this fall.

Mr. Hunter cautioned the men against over-confidence and criticised the practice of giving out too sanguine reports of the athletic conditions to the papers.

Mr. Kanaly replied that these reports were frequently pure fabrications of the reporters, but he joined Mr. Hunter in warning the team against over-confidence. He cited several instances of teams which have lost races through over-confidence. Mr. Kanaly also urged the men to take more interest in the work, especially in the walks, which he considers a very important part of the training system. He said that he was counting on having ten men finish within 25-20 in the Harvard race.

The dinner closed with cheers for the donors of the cups.

1912 WINS FROM DEAN SCORE SOPHS-3 DEAN-0

Beale Kicks Goal From 40 Yds. Exciting Contest In Both Halves

The sophomores won: 1912-3, Dean-0. A drop kick by Beale in the middle of the second half pulled out a victory for the 1912 team. Both teams did not get into the game until the last of the first half, and not until the final five minutes of the last half did the sophomores show what they could really do. Dean did not have the same team as last Saturday. Two men had been placed in her back field, who were out of last week's game on account of injuries.

Tech received the ball on her 5 yard line. Beale and McOske in two consecutive rushes covered ten yards. The way 1912 started off made it look like an easy victory. In a line play Beale fumbled, but was recovered by Robinson. Tech managed to make the distance and forced by the ball down to Dean's 35 yard line, where a forward pass to Torrey was blocked. Tech was penalized 15 yards. Except in the last five minutes of the first half, 1912 was on the defence only. King, Dean's big right half-back, came around left end and broke through for a 35 yard run. He was brought down by Capt. Eicher on his 25 yard line. Here Dean tried for a drop kick, but was blocked by Eicher.

In the next rush Captain Eicher was injured in the face, but resumed the game. King and Houston made good gains, but a bad fumble by Houston gave Tech the ball in the center of the field. In the last five minutes the sophomores got into the spirit of the game and the team work, with the rushes of the back field made gain after gain down the field to Dean's 20 yard line. A fumble by Swanson at center gave the ball to Dean, who kicked, and all chances of a touch down by either team was lost. End of first half—score, 1912-0; Dean-0.

Second Half.

The second half opened with a snap, and the easterly wind favored Eicher's kick, the ball going out of bounds. Dean chose to rush from her five yard line, and Houston and Berry of the back field were worked time and again with moderate success. Tech soon received the ball on downs in the center of the field and was unable to make distance. Shuttleworth replaced Kebbon at left guard. Here Tech was forced to kick. Woodward, Dean's left tackle broke through and was dropped by a pretty tackle by Kimball. The sophomores gained the ball on downs. By great line driving and effective end plays the ball was rushed to the 35 yard line. Robinson, through center, placed the ball in the center of the field and then on Dean's 40 yard line. Another quick formation and a carefully placed drop kick by Beale sent the pig skin squarely over the goal posts. There remained only five minutes more to play. A number of rushes put the sophomores on Dean's 15 yard line, and Beale again tried for a drop kick, but the wind was against him and it went shy. Tech recovered the ball, Beale going through left end, placed the ball on Dean's three yard line with only ten seconds left to play. A dispute arose with the Dean umpire and their team was called off the field with ten seconds yet to play. Final score: 1912-3; Dean-0.

The following was the line-up:
Robinson, i.....r.e., Wright
Kimball, i.t.....r.t., Berry
Kebbon, Shuttleworth, l.g.
r.g., McKennan

CURRENT EVENTS

Every record for a one mile circular track was broken yesterday in the 24-hour automobile race at the Brighton Beach track. The 18-hour record of 903 miles, formerly held by Robertson, was broken by Mulford in a Lozier, when at 2 o'clock he had driven 904 miles, one more than the mark. With the race half over, the 12-hour record made by Strang in a Renault, a year ago, was beaten by 11 miles. Strang made 613 miles in 12 hours. Louis and A. Chevrolet, relieving each other frequently, covered 624 miles in the same time.

A small boiler exploded last night in Holyoke Hall, Harvard, causing a panic among the students who occupy the dormitory. The force of the explosion was so great that a hole was blown through the lower wall of the dormitory, but no one was seriously injured.

President Taft and President Diaz ex-visits yesterday at the El Paso and Ciudad Juarez, the one city on the American border, the other on the Mexican.

EXCHANGES

The debating society at Colby College has been resurrected after two years of idleness.

The football season at the Rensselaer Polytechnic Institute was brought to a sudden close Tuesday, when President Palmer C. Ricketts forbade the students to take part in any intercollegiate contest under penalty of expulsion. Not only are they forbidden to take part in intercollegiate sports, but are also excluded from the alumni athletic field, which was recently completed at great cost.

This action was taken as the result of the painting of some of the new institute buildings which have been given by Andrew Carnegie and Mrs. Russell Sage. The painting was done at the celebration of the victory of the Rensselaer Polytechnic football team over Saint Stephen's College, which was beaten on Saturday by the score of 80 to 0.

New York University has started a school of journalism with several experienced newspaper men as instructors.

In the annual tennis tournament between the faculty and undergraduates of Williams College, the students won every match.

The enrollment at the University of Illinois is approximately 5,000, making it the largest State university in America.

Basketball has been dropped at Holy Cross and Colby, owing to lack of interest among the undergraduates. They will devote more time to development of strong track teams.

Three women are taking engineering courses at Wisconsin University.
